Hi Pamela -

It looks like Thursday, 2/23, would be best on our end, between 12:30 and 2 we're all free.

On our end, it would probably be Dennis Carney and Cecil Rodrigues (as before). Mathy mentioned today he'd like someone from OSWER on, too.

A couple of moving parts on this...give me a call when you get a chance (215-814-5806) and I can bring you up to speed.

Thanks!
Jennie

Is it possible to schedule a conference call for Sen. Inhofe's staffer next week?

Morning Pamela,

I saw yesterday that EPA was discussing "multimedia" investigations in Washington County, PA which began as early as September. With these new investigations just being made public as well as the agencies continued action in Dimock, I would like to request a briefing from staff sometime next week to get an update of the agencies actions in the area as well as latest findings. Please let me know what would work on your end and I can make sure I am available.

Thanks,
Dimitri
